RESPONSES: Each time we meet together, there is a possibility that someone would like to respond to the invitation of Jesus Christ. We would be very glad to help you if you would like to be baptized for the forgiveness of your sins and to receive the gift of the Holy Spirit, (2) to repent for sin in your life and ask for prayers of the church, or (3) to ask the church to pray for some special need in your life.

## Something Stinks

Nancy came home from the grocery store with an announcement. "The car stinks and the air conditioner is making a horrible noise." My first instinct was to reply, "The car smelled OK when I got in it." But after considering how this might be misinterpreted, I said, "Tell me about the noise." From the description, even with my very limited skills, I diagnosed it as the AC blower motor. I also diagnosed it as beyond my repair abilities and took it to Pat's Garage.

He listened to my problems as I told him I needed a new motor. "No, you don't" "It sounds like a common problem of trash getting into the fan blades and throwing it off balance. All we have to do is clean the fan." As he began to take things apart, mouse "pills" began dropping all around and he re-diagnosed the problem. Then the "pills" started moving and new precautions developed. Did you know, that if they don't move, maggots look like mouse pills? Finally, the source of the problem was found. It *was* something in the fan; a dead mouse. OK, now it is fixed: no dead mouse, no more maggots, no more pills, no more rattle in the motor – until this week when the remaining stink got worse.

Looks like baby mouse went looking for momma mouse and met the same fate – just no maggots this time. The smell, however, remains as a reminder of my visitors and the lesson that one should not leave food in the glove box. I have not found enough Fabreeze to cover it and the spray deodorants just make it smell like "Spring Lilacs" with dead mice. Add some PineSol to the mixture and you don't travel far with the windows up.

The biggest problem I am having with all this is trying to figure out what spiritual application to make. Perhaps it could be, "If you are hungry, be very careful with your source of nourishment – it might lead to death." Maybe we could go with, "Parents, be careful where you go because your children are following you." I think I will just say, "If something in your life stinks, let God help you get rid of it. If you don't, something that smells even worse might be attracted."

Love ya,  
Dale
