REFLECTIONS

"A TIME FOR EVERYTHING"

Solomon wrote in **Ecclesiastes 3** that there is a time for everything. We don't always understand God's timing, however, we can be sure that it is right. Since God is in control, and sees the big picture, ours is to trust Him wherever He leads us and allow Him to work.

As Tami and I move on to a new work, we will hold tightly to the hand of God as He directs us. We will continue to pray for our brothers and sisters here to keep the work going as you search for a new minister. Just remember to be prayerful and attentive, and listen for the voice of God to direct you to the right man.

This is an opportunity for people to step out of their comfort zones to serve in different capacities, Men will need to teach the adult classes and preach. There is an opening to take over Tami's class on Sunday morning teaching the young kids. Basically, this is a time for growth if you take advantage of it.

Tami and I want thank you for opportunity you offered us. We will take the experiences we had here and use them to grow. Hopefully, you learned something from us while we were here that will leave an impression, and help you grow as well.

If we don't see one another again on earth, we will meet again in heaven!

Love, Steve & Tami
