REFLECTIONS

"IT IS NOT FAILURE"

We are now seven days into 2024, are you still keeping your resolutions for the new year? We all know how difficult it can be to change things in our life, be it the things we like to eat to our daily routine. When we make resolutions for the new year, that usually means changing something that is commonly routine.

Many people resolve to eat better or exercise more. Some resolve to read through the Bible. It really doesn't matter what it is, when you choose to change something in your routine, it takes drive and discipline to keep it up. For some people it means overcoming years of bad habits.

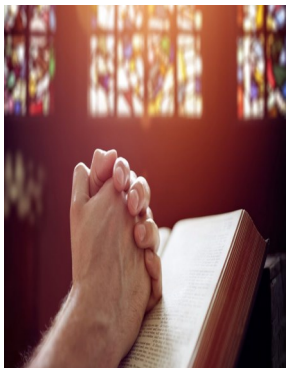

One thing we need to remember is that just because we may not eat right, exercise, or read our Bible one day, does not mean we have failed. Tomorrow is another day. We just resolve to not allow ourselves to focus on the fact we didn't do what we wanted, but the fact we can get back on track. It takes effort and discipline until eventually it becomes part of our routine.

The same is true in our spiritual walk. There are times when we stumble and fall. That doesn't mean it is all over. It merely means we reach out to God, ask for His forgiveness, and focus on Him once again. He cleanses us, and we start fresh once again.

Read I John 1:5-10
